

**Joliet West Band Booster Meeting**  
**November 30, 2020**  
**6:00 pm**

In attendance: Eric Wellman, Beth Kaiser, Susie Dubs, Nicki Lozada, Christie Eldred

**Fundraising:**

- \*we will need to put the poinsettia fundraiser on Facebook
- \*Potbelly and Mooyah fundraisers are cancelled and Culver's is on hold
- \*In April we can think about doing an Auntie Anne's fundraiser. There is a minimum of 100 boxes
- \*we had talked about doing a discount card fundraiser, but now is not the time. We can talk about doing that at a later time when things get back to normal
- \*we made \$286 from the Portillo's fundraiser. We can do that two times a year so if Culver's doesn't open back up we can do Portillo's again
- \*Sonic car wash does fundraiser so maybe we can do that in the spring
- \*we talked about doing quarantine spiritwear. There is a lady who will design something for \$50 and she gives it to Big Frog. Susie will talk to Big Frog. Another idea is to have the kids design something

**Director's Report:**

- \*the kids are starting to work on holiday music. They will send it to families and to nursing Homes.
- \*there is no final exam
- \*The Band Banquet was discussed. We can have something similar to last year - virtual. Or maybe we can have something outdoors. We can also do a drive up to get awards. Mr Wellman will go into the school and get a count of the awards we have on hand
