

Joliet West Band Auditions

Joliet West Band auditions will be held virtually this March. This is your audition for placement in one of our concert bands or percussion classes. All incoming students have a choice of which audition music they can perform.

Students wishing to audition for the Symphonic Band at West:

- 1) Prepare the two Etudes that are listed on our website and available through your band director.
- 2) Prepare the High School ILMEA scale sheet listed on our website and available through your band director. Scales not required for percussion.
- 3) A few weeks before the auditions we will send out specific “cuts” of the etudes and scales. These measures will be what you will record for your audition and will allow you to focus your practice on these specific parts of the music.

Students NOT wishing to audition for the Symphonic Band at West:

- 1) Prepare the one Etude that is listed on our website and available through your band director.
- 2) Prepare the Junior High School ILMEA scale sheet listed on our website and available through your band director. Percussion prepares the scale sheet listed with the etude.

Students will submit video recordings.

Audition music is available at:

<https://www.jtwestbands.com/audition-music.html>

All Video Submissions are due March 22, 2024
