

Hello again band families,

We are excited to announce that we have been approved to travel to New York City next April for our normal band trip. This trip is open to all students that participate in band this year. More information and payment schedule will be coming in the very near future, however a basic breakdown of the trip is listed below. Payments will be broken into a deposit (early September) and then 3 other payments spread out between November-February. Anyone wanting to chaperone this trip will have the opportunity to sign up when we collect deposits.

We hope you will consider going on this jam-packed and exciting trip with us next spring.

Mr. Wellman and Ms. Bauman
